Presents:

#GI  ING TUESDAY™
2019 WISH LIST CATALOG

December 3, 2019

3:00 p.m. to 6:00 p.m.

Youth & Family Link Gym

How it Works:

Welcome to the third Giving Tuesday in our Community! We are excited to present you with **27** Non-profit Agencies and Organizations. To run these essential programs that each offer, it requires a lot of items that the budgets don't cover. Each need is unique to its own mission and community impact. We have provided a one-stop catalog to see what everyone can do to help!

Giving Tuesday is the second largest day of giving in the World, following December 25th. Please take a look at each page in here and see if there is anything you can donate or help with.

This year, each Agency/Organization is accepting the donations from 3:00 p.m.— 6:00 p.m. on December 3rd, at the Youth & Family Link Gym (unless noted otherwise on the organizations page in this catalog). Please come by, enjoy some quality time with staff/volunteers from different organizations and take the opportunity to learn more!

We want to **spread the word**, we hope that you share this catalog with everyone you know via social media, emails, phone calls and physical copies. If you share on social media, please use the hashtags below. See you December 3rd!

www.childrensdiscovery360.org

FOR ADDITIONAL INFO CONTACT: dawn.w.morgan@comcast.net

MISSION STATEMENT:

The Children's Discovery Museum will provide a fun and safe environment to encourage kids and families to learn, engage, and have time for imaginative and interactive play together.

COMMUNITY IMPACT:

In 2018, we served over 10,000 people from Cowlitz County and beyond. 2019 has been a year of change and growth, and we look forward to continue providing a great environment for kids and adults at our new location at 1209 Commerce Ave, Longview. Our board is committed to keeping the museum FREE to all, to ensure that all children can participate, regardless of socioeconomic status. Our child-led philosophy allows children to be in charge of their own learning and exploration.

With the generous support of the Longview Junior Service League, we launched Science Sunday in 2019. This allows for special monthly programming designed to introduce specific concepts to children in a fun and engaging environment. We've already introduced over 500 participants to Science Sunday and will continue to offer this programming in our new location.

HEVIN

Rich Black- Founder and Executive Director
Rhonda Black- Founder and President
751 Schaffran Rd, Castle Rock WA 98611
360-749-2016
www.hevin4vets.com

MISSION STATEMENT:

Connecting Community with Veterans in need in Cowlitz County.

COMMUNITY IMPACT:

Since announcing our mission in March we have helped about 30 veterans in Cowlitz County with a large scope of need such as helping with gas, groceries, automobile repairs, mediation costs, furniture donations and home repairs. We ask the community to help with the needs first and if we can't get help from the community we fund raise so we can help directly. We help with items where there is no government assistance. HEVIN is 100% volunteer based. Our board members are: Rich Black, Founder and Volunteer Executive Director, Rhonda Black Founder and President, Kris North Vice President, Mary Spencer Treasurer, Jolynn McCully Secretary, Cathy Halverson, Bill Josh, Raul Rios.

WISH LIST

- ◆ A grant writer. We would like to find grants to help with veteran housing in Cowlitz County. We also are hoping to find sustainability grants so we can pay our ED to do this work full time with pay. This has become a full time job and it would be beneficial to pay an employee so we can continue our mission with out taking from our fundraising fund and without burning out the volunteer ED.
- ◆ We desperately need a storage facility. We are offered furniture from the community weekly and if we don't have a veteran currently moving, we have to turn away the donation because we have no place to store it. So we are asking for someone to donate a storage unit for the donations we receive.
- ◆ A Volunteer, volunteer coordinator. We don't have a membership but are in need of community volunteers and we would love someone with experience in this area to help us with volunteer recruitment, data bases, and volunteer committee organization.
- ◆ Computer for HEVIN use. Currently we use our personal computer or work computer.
- ◆ Computer Desk
- ◆ File Cabinets
- ◆ Volunteer to set up our filing system
- ◆ Printer specific for HEVIN work.
- ◆ New home items for newly homed veterans- such as mop, broom, toilet brush, can opener, shower curtain, dish soap, laundry soap.
- ◆ Social media volunteer

Lower Columbia College Head Start/Early Head Start/Early Childhood Education Assistance Program (ECEAP) is a holistic program that provides quality early childhood education experiences through comprehensive services that support income eligible children and families, prenatal to five.

We are committed to building healthier communities by providing school readiness to each child through:

- Working together with each parent/guardian in their role as the primary nurturer and educator of their child
- Nurturing each child's and family's unique qualities and potential
- Partnering with families; building upon their strengths
- Creating an environment that promotes respect, diversity and growth
- Collaborating with community partners in Cowlitz County

“Our vision is that families be empowered to make a positive difference in their lives and in the community where we all live, work and learn”.

COMMUNITY IMPACT:

Preschool for income eligible children and families at 8 locations in Cowlitz County.

Comprehensive services for enrolled children and their families including support and coordination of: health, dental, special needs, mental health, accessing community resources, family assessment and goal setting.

PROGRESS CENTER

1600 3rd Avenue,
Longview, WA 98632
(360) 425-9810

www.theprogresscenter.org

FOR ADDITIONAL INFO CONTACT: Kara Harris, Executive Director

MISSION STATEMENT:

In collaboration with our community, Progress Center provides children and families with early intervention services. We are dedicated to providing the best services for young children with our programs of child development, education, therapy, and prevention that support families to reach their full potential.

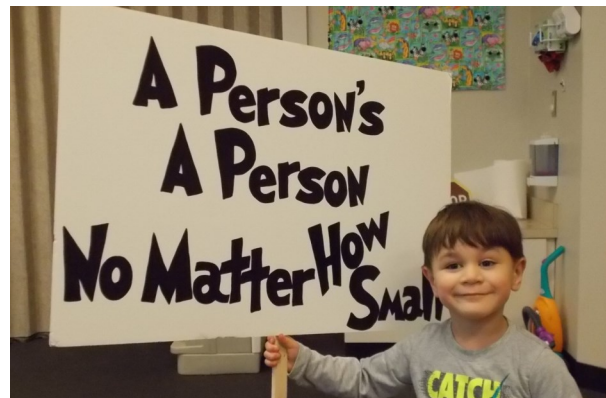

COMMUNITY IMPACT:

Progress Center provides early intervention services for infants and toddlers with developmental delays. Some clients have a medical diagnosis that contributes to delays in development. Children enrolled in early intervention services at Progress Center may receive education services and any combination of speech, occupational, and physical therapy services depending on his or her needs. Family Resource Coordinators provide case management and support to each family. As a child nears the age of three, Progress Center staff facilitates his or her transition to a preschool program and other appropriate services to meet specific needs.

The Family Support Department was added in 2018 to help families reduce barriers that make it difficult for caregivers to participate in the child's early intervention program .

WISH LIST
